

Pick-up and drop-off instructions

The following rules and restrictions are provided by the car rental company.

The driver must present a valid driver's license and credit card in their name upon pick-up.

International rentals may have different driver license requirements. Please check what exact documentation is required by the car rental company. For example, an international driving licence is required if the driving licence is non-roman alphabet, and if picking up the vehicle in an EU country, an international driving license may be required for those whose driving licence is not issued in the EU.

Additional charges or restrictions may apply for drivers under 25.

Geographical restrictions may apply, even for rental contracts that feature unlimited mileage. Some car rental companies do not allow you to take their vehicles across certain domestic or international borders, or may apply an additional charge to do so.
